Cynthia,

July 22nd at 10 am works best for me. We can meet in my office at the San Juan County Court House (2nd Floor) or somewhere else if you prefer. My preference is that we meet in a semi-private setting if the two of you are comfortable with this approach. I find that discussions tend to get interrupted when I meet with people at a restaurant or coffee shop. Either way, let me know.

Best,

Anthony

Dear Mr. Edwards,

I am the new Upper Animas Community Involvement Coordinator for the Environmental Protection Agency. When Paula Schmittiel, the Upper Animas Remedial Program Manager, and I met in May with Amy Dickinson, she gave us your name as someone we should contact to get more information about the town of Silverton. I believe she also told you that we might be getting in touch to set up a meeting. We will be in Silverton next week, and we would very much like to meet with you if you are available Monday afternoon, July 21 (after 2:00 pm), Tuesday morning, July 22, or Thursday morning, July 24. We could also meet in the evening on Monday or Wednesday, if that would be more convenient.

If you are free any of the times I mentioned, please let me know, and we can set up a time to meet.

Best regards,
Cynthia Peterson
